✓ **Enter Scholastic Exam Result**

Grade Marks Setup

- Education Institute wants to define correlation between Grade and Marks
 - Marks Range for a grade can be defined in this activity.
 - Institute needs to define what are the maximum marks a Exam is conducted for.
 - For example if a Exam has 50 as Maximum marks ,
 - Grade A++ corresponds to 50-46 Range

Let's Create Grade-Mark Setup

Step 3 : Create Exam Type

Let's setup Exam System to enter Result of Students

✓ **Create Scholastic Grades**

✓ **Scholastic Grades Marks Setup**

✓ **Create Exam Type**

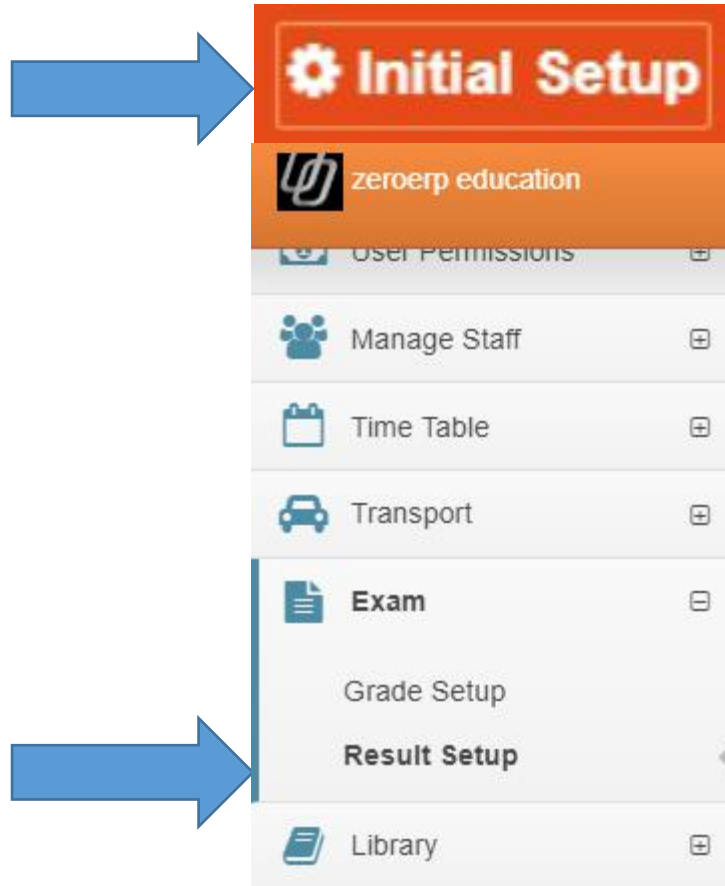

✓ **Enter Scholastic Exam Result**

Exam Type

- Exam Type is a identifier for any Test / Exam / Assessment exercise which is conducted to assess student performance.
 - Exam Type should be defined for all assessments where student needs to be given marks.
 - All subjects/scholastic area assessment must be for an exam type.

Let's Create Exam Type

Create Exam Type

The 'Create Exam Type' form is displayed, showing a progress bar with three steps: 1. Exam Type (active), 2. Set-Up Exam Terms, and 3. Set-Up MarkSheet. The form includes input fields for 'Exam Type' (HALF YEARly), 'Exam Duration' (02:00), and 'Exam Name' (half yearly exam). There is a 'Save' button at the bottom. A blue arrow points to the 'Save' button with the text 'Save Exam Type'. The form also has an 'Exam Status' section with 'Active' selected.

The screenshot shows a table listing the created exam types. The table has columns for Exam Type, Exam Duration, Remarks, Date Of Create, and Action. The data is as follows:

Exam Type	Exam Duration	Remarks	Date Of Create	Action
UT1 T1A Active	01:00	unit test of 10 marks	2018-08-08 13:40:53	
UT2 T1A Active	01:00	unit test 2 of 10 marks	2018-08-08 13:41:44	
UT1 T2A Active	01:00	unit test 10 marks term 2	2018-08-08 13:42:17	
UT 2 T2A Active	01:00	UNIT_TEST 10 marks TERM 2	2018-08-08 13:43:02	

Step 4 : Scholastic Exam Result

Let's setup Exam System to enter Result of Students

✓ **Create Scholastic Grades**

✓ **Scholastic Grades Marks Setup**

✓ **Create Exam Type**

✓ **Enter Scholastic Exam Result**

Enter Exam Result

Staff Position should not be confused with User Type , Permissions are assigned based on User Type and Not Staff Position.

The image shows two parts of the ZeroERP School interface. On the left is the dashboard sidebar with an orange header containing a home icon and the word 'Dashboard'. Below this is a 'ZeroERP School' header with a logo and the email 'Info@Junctiontech.In'. The sidebar menu includes 'Events', 'Exam' (highlighted with a blue arrow), 'Result Entry Scholastic', 'Result Entry Co-Scholastic', 'View Mark-Sheet', 'Reports', 'Fees', and 'Finance'. On the right is the 'View Mark-Sheet' page, which has a breadcrumb 'Exam / View Mark-Sheet' and a title bar 'View Mark Sheet' with window controls. The page contains four dropdown menus: 'Class', 'Student', 'Portrait' (selected), and 'A4'. Below these is a 'Font Size Optional In px' input field and a link 'Click Here To Customize Mark Sheet'. At the bottom right is a red button labeled 'Click To View Mark Sheet', which is pointed to by a blue arrow.

Mark sheet can be printed as Portrait or landscape

Thank You
